## Closed for Christmas!

Please be advised the office will be closed from lunch on Thursday the 20th of December and will open again on Monday the 7th of January 2013.

I would like to thank all my clients for your support and business this year, it really is appreciated and without you Design House would not exist!

I would also like to thank all my suppliers, referral partners, printers and developers. Without your excellent product, service and time efficiency, I could not kept my clients happy or be able to provide the excellence service they are accustomed to and deserve.

**Have a wonderful Christmas break everyone, may all your dreams come true!**

## “Making You Look & Feel Beautiful On Your Special Day”

**Lisa Klein Make Up Artist - Fraser Coast (Business Cards)**

*I had Design House design and print new business cards for me. The new design really helps me to stand out more from the crowd and they were very quick in reply to my requests. Everything was very easy and straight forward and the new business cards were delivered to my front door promptly. Great service, great product, great design and all at a great price! I will be coming back again, thank you Design House!*

## Organic goodness delivered straight to your door!

### The Frog Shop - Fraser Coast (Business Cards & Shopping Cart)

*"Sending out a massive thanks to Jeanette....We run an organic business supplying fruit and veggie boxes, and other organic products to the Wide Bay region and up until now had been using emails and facebook to take orders, so the time had come for us to develop an online store. Our aim for the website was for it to be easy to use, fresh and funky. Jeanette provided us with all of this and we're so stoked to have it up and running. All our customers are raving about it too. We would recommend Design House to anyone!"*  
- Celine Louie

© Design House 2012

"Run by Celine and Kellee, two motivated mums keen to spread the organic word, our aim is to share our passion about good, clean organic food to as many households as possible. We believe organic living can be affordable, and healthy living can be fun.

We've also got a team of dedicated helpers who make FROG possible. Without all our amazing, and very generous helpers, FROG wouldn't be what it is today.

FROG isn't just a retail business, it's a community, and an experience. By choosing to support FROG you'll not only get yummy food, but you'll also be joining a large community of like-minded people all working towards healthier bodies, and a healthier planet.

Boxes contain a set mix of fresh seasonal fruit and veggies- Usually around 3-4 types of fruit, and 6-12 types of veggies. These vary weekly depending on availability."

## Tough Mudder Review - Sydney

All aboard the Pain Train! 20km, fire, ice & 10,000 volts!

[Tough Mudder](#) is described as “probably the toughest event on the planet” and after 5hrs, 20km slog of thick MUD, 25 British Special Forces Obstacles and EIGHT electric shocks for me, we’re now officially ‘TOUGH MUDDERS!’

We managed to get over 3m Berlin walls, through underground mud tunnels, electric shocks (TWO DIFFERENT OBSTACLES) a fire pit & the refreshing ice bath plus burnt 2,120 calories with the help of other awesome unknown Mudders!!
