My Latest Adventure: Tasmania 'The Overland Track' 65km in 3 days

I always like a good adventure, I think it makes me more CREATIVE!

I've had the **Tasmania Overland Track** on my radar for a couple of years now and decided to just do it!

In December it took me 72hrs exact to the hour to complete the 65km Overland Track – Total hiking / walking time 23 hrs 30mins.

Day 2, 9th of December: Woke up at 5am to snow everywhere, us QLD girls know how to handle the extreme Tassie weather, we camped in a \$15 tent from Kmart with a blue tarp slung over the top + a pair of thongs!

Temp: -0.9 °C to 5.4 °C

About Us
Wrigley's Electrical Services

is a family owned and run business that services the Hervey Bay, Maryborough and surrounding areas. Owners, Pat and Ashley Wrigley are local to Hervey Bay, Pat being in Hervey Bay for over 20 years.

Pat completed his apprenticeship in Hervey Bay before gaining an additional four years' experience within Central Queensland. During this time, he gained a wealth of experience and knowledge within domestic, commercial and industrial industries. This experience has given Pat the knowledge to solve unique electrical problems within your home or business.

Wrigley's Electrical Services not only provides electrical services, but also installs air conditioning and telecommunications cabling (such as TV internet and phone lines). This variety of expertise gives Pat the ability to assist with electrical faults, adding or removing items, upgrading items, renovations and wiring new homes.

Pat and Ashley pride themselves on having great customer service to ensure that each customer is happy with the provided service. It is also important to Wrigley's Electrical services (and you as the customer) that Pat arrives on time with little inconvenience to you so you can plan and go about your day smoothly.

Bright ideas
Wrigley's Electrical Services are full of bright ideas to make sure you get exactly what you want.

Always on time
We pride ourselves on being on time.

Friendly service
We keep you up to date and informed when it comes to your job.

Tandora Walkabout Tours - Mangrove Eco-Tours, DL Flyers!

Recently I designed DL flyers to promote these tours. They are fantastic, I've been on two of them, more info [HERE!](#)

"Unique opportunity, first 'Mangrove Walk' tour licence issued in Queensland.

The Mary-Susan estuary consists of thousands of acres of pristine mangrove forests, large tidal islands and sparkling waterways.

Tour guide Lindsay Titmarsh has 55 years of experience at mangrove exploration.

Tandora is an 11,000 acre grazing property situated near the mouth of the Mary River on the ecologically diverse Fraser Coast of Queensland, Australia. For over 100 years, this vast estate has been owned and operated by the Titmarsh family. Lindsay Titmarsh, the current manager, is a well known local identity, naturalist, photographer and author."

Social media marketing, has become one of the fastest methods of marketing a business over the past couple of years. By involving yourself in these online communities through conversations and media sharing, you are passively opening up opportunities for people to become potential clients.

Many professionals start out very sceptical about integrating social media marketing into their marketing plans. This is a mistake as these social networks I've mentioned have well over 500 million users between them. The users of these networks fit just about every demographic a business professional might be targeting.
